

Starting in November 2020 we will engage in holy scripture in a new way. We will become scribes and write the Gospel of Mark as we read it. We hope this will be a new way for us to encounter the Bible as we engage our senses in a different way with God's word.

This practice will continue into January. Whether you use a pencil and notepad, your computer, or fancy pens with a dedicated journal, we hope you will share your journey with us. There is no right or wrong way to do this! This schedule helps with a pace of about 10 verses per day. Slow down or charge ahead!

Post pictures of your verses on our Facebook page and Instagram account. #gospelsbyhand #stacroton
